«Regulations on providing discounts and benefits for paying for educational services at the Ekibastuz engineering and technical institute named after academician K. Satpayev»	

1 Scope of application

This Regulation on the provision of educational discounts (benefits) for tuition fees for students studying at the Institution "Ekibastuz Engineering and Technical Institute named after Academician K. V. Kropotkin". Satpayev» Institute (hereinafter referred to as the Institute), on a contractual basis (hereinafter referred to as the Regulation), regulates the procedure for providing discounts and other benefits for paying for full — time students.

2 Normative references

This Regulation uses references to the following regulatory documents:

- Law of the Republic of Kazakhstan dated July 27, 2007 No. 319-III "On Education";
- Internal regulatory documents of the Institute;
- Charter of Ekibastuz Engineering and Technical Institute named after Academician K. Satpayev.

3 Basic concepts and definitions

Discount– reduction of the cost of paid educational services for a certain period according to this Provision, provided that the student fulfills certain conditions necessary to receive a discount(benefit), i.e. necessary to change the price of educational services by reducing;

Discount period - the period of time for which a student has the right to pay a reduced part of the cost of paid educational services (semester, academic year)

Benefit-is provided to students in the form of an increase in the deadline for paying tuition fees (not in two tranches, but monthly).

4 General provisions

The regulation was developed for the purpose of social support of students, as part of the Institute's Mission to train competent and competitive specialists for the region and the country, which determined that the cost of training is lower than the state grant, taking into account market conditions – based on data on the population's ability to pay.
