

Full name: Bekmagambetova Botagoz Masagutovna

Education:

1979-1984: Higher education, graduated from Pavlodar Industrial Institute with a degree in Electrical Power Plants, having received a diploma with qualification: electrical engineer

Work experience

Academic:

Work in this organization

1994г – Until now: Senior Lecturer at the Department of "Energy Engineering" of the Academician K.Satpayev Institute of Physics and Technology

1994– Until now: The list of subjects taught is "Design of electric power plants", "Electrical part of stations and substations", "Operating modes of electric power plants"; "High voltage engineering"; "Electrical devices"; "Theory of reliability of electric power plants";

1994 – Until now: Full-time

1985-1994: Ekibastuz SPTU-14 Deputy Director for Management.

1985-1994: Full-time

Non-academic: none

Professional development:

05.07.2021-17.07.2021 Certificate of completion of the advanced training course on "Relay protection and automation (Relay protection, Relay protection and automation, Automation of power supply systems, Automation of energy systems)", Non-governmental Quality Assessment Center, Nur-Sultan;

05.07.2021-17.07.2021 Certificate of completion of the advanced training course on the topic "Networks, systems in the electric power industry (Electric networks and systems, Electrical part of stations and substations, Electric power industry)", Non-governmental Quality Assessment Center, Nur-Sultan;

19.07.2021-31.07.2021 Certificate of completion of the advanced training course on "Operating modes and power supply (Power supply to industrial enterprises and cities, Operating modes of the main equipment of electric power plants)", Non-governmental Quality Assessment Center, Nur-Sultan;

19.06.2023-30.06.2023 Certificate of completion of the advanced training course on the topic "Networks, systems in the electric power industry (Electric networks and systems. Transmission of energy by alternating and direct current. Smart power supply networks. The electrical part of stations and substations. Electrical equipment of enterprises and technological complexes. Digital substations. Electric power industry. Global Electric Power Industry)" in Ekibastuz, the Center for Training and retraining of personnel of the thermal power complex;

14.08.2023-25.08.2023 Certificate of completion of the advanced training course on "Relay protection and automation (Relay protection. Relay protection and automation. Theory of automated electric drive. Automation of power supply systems. Automation of energy systems. Automation of standard technological processes)" in Ekibastuz, the Center for training and retraining of personnel of the thermal power complex;

03.07.2023-14.07.2023 Certificate of completion of the advanced training course on the topic "Operating modes and power supply (Power supply to industrial enterprises and cities. Design of power supply systems. Operating modes of the main equipment of electric stations. Design of electric power plants. Electric drive control system. Electric drive of general industrial mechanisms)" in Ekibastuz,

- the Center for training and retraining of personnel of the thermal power complex;
- 31.07.2023-11.08.2023 Certificate of completion of the advanced training course on "Transients and reliability in the electric power industry (Transients in power supply systems. Reliability and emergency situations in the energy sector. Automation of typical technological processes. Transitional processes)" in Ekibastuz, the Center for training and retraining of personnel of the thermal power complex;
- 17.07.2023-28.07.2023 Certificate of completion of the advanced training course on the topic "Modeling and reading of electrical circuits (Computer simulation of electrical circuits. The technique of reading electrical circuits. Circuit engineering)" in Ekibastuz, the Center for training and retraining of personnel of the thermal power complex;
- 05.06.2023-16.06.2023 Certificate of completion of the advanced training course on "Engineering graphics" in Ekibastuz, the Center for Training and Retraining of personnel of the thermal power complex;

Membership in professional organizations:

Awards and prizes:

2001: Certificate of Merit from the EITI

Service sector activities:

Publications and presentations:

New scientific developments:
