

# Ekibastuz Engineering - Technical Institute named after academician K. Satpaev

## Academic calendar for the 2026-2027 academic year

Enrollment of students in the university - until August 25

| Form of study - full-time     |                                                                                            |
|-------------------------------|--------------------------------------------------------------------------------------------|
| Autumn semester               |                                                                                            |
| August 26 - 31                | Organizational activities. The period of preparation and delivery of individual curricula. |
| 1 September                   | Knowledge Day                                                                              |
| September 2nd - December 12th | Theoretical training (15 weeks)                                                            |
| October 19th - 24th           | 1st boundary control (in parallel with theoretical training)                               |
| December 07th - 12th          | 2nd boundary control (in parallel with theoretical training)                               |
| December 14th - 26th          | Examination session                                                                        |
| December 28th - January 09th  | Holidays                                                                                   |
| Spring Semester               |                                                                                            |
| December 28th - March 20th    | Pre-graduate practice                                                                      |
| January 11th - April 24th     | Theoretical training (15 weeks)                                                            |
| March 1st - March 6th         | 1st boundary control (in parallel with theoretical training)                               |
| March 24 - May 15             | Writing and defending a thesis /project/ or preparing and passing a comprehensive exam     |
| April 1st - 30th              | The period of preparation and delivery of individual curricula                             |
| April 19th - 24th             | 2nd boundary control (in parallel with theoretical training)                               |
| April 26th - May 8th          | Examination session - (2 weeks)                                                            |
| May 10th - 15th               | Academic practice - 1st year of study                                                      |
| May 10th - 29th               | Industrial practice - 2nd year of study                                                    |
| May 10th - June 12th          | Industrial practice - 3rd year and 2nd year of study - accelerated learning process        |
| May 17th - June 5th           | Industrial practice 1st year of study - accelerated course of study                        |
| Summer semester               |                                                                                            |
| May 17th - June 26th          | Theoretical training - (6 weeks)                                                           |
| June 28th - July 3rd          | Examination session - (1 week)                                                             |

\* to meet the needs for additional training, eliminate academic debt or differences in curricula, study academic disciplines and head credits to students of other educational institutions with their mandatory transfer in their higher education organization, increase the grade point average of academic achievement score (GPA), mastering an adjacent or additional educational program, including within the framework of double-degree education (except of graduate students)

### National and State holidays of Kazakhstan

|             |                                                       |
|-------------|-------------------------------------------------------|
| October 25  | Day of the first President of Kazakhstan              |
| December 16 | Independence Day                                      |
| January 1-2 | New Year                                              |
| January 7   | Christmas                                             |
| March 8     | International Women's Day                             |
| March 15    | Constitution Day of the Republic of Kazakhstan        |
